

Summer

Our menu is inspired by some of our most memorable experiences through myself as a chef and on our travels. I particularly enjoy the Middle Eastern approach to eating, I feel like it goes hand in hand with our hot summers here in Australia, small plates of fresh herbs & summer leaves to start the appetite.

We hope that through this menu and beautiful local produce we can express to you our genuine love for good honest food.

Xx Stacey

\$60pp Food \$30pp wine pairing
